Comment = My neighborhood is experiencing trash totes being left out after trash collection day. I suggest that the City of Clovis post a reminder on trash notices to remind residents move trash totes out of sight after trash collection day. Please review my attachment.

HEY CLOVIS, *DON'T TRASH THOSE FOOD SCRAPS*

WHAT YOU NEED TO **KNOW**

In 2016, the Governor signed into law Senate Bill 1383. SB 1383 is a new state law that aims to reduce greenhouse gases, particularly methane. **As part of this law, residents are required to place food scraps, food-soiled paper, and yard waste into an organics cart or bin.** This helps reduce methane emissions by diverting organic materials from landfills to a local compost facility.

As of Jan. 2024, monitoring and enforcement has begun. Local jurisdictions like Clovis are now required to perform monitoring to provide educational feedback and penalties for repeat offenses, **but don't worry - we're here to help you get it right!**

WHAT'S **NEW**

FOOD WASTE
(WITHOUT A PLASTIC BAG)
**NOW GOES IN YOUR
GREEN CART!**

FOOD WASTE
IS LEFTOVER,
SPOILED, OR
UNUSED FOOD

WHAT TO **EXPECT**

A City employee will complete a route review in your neighborhood, which means they will inspect your carts for contamination (items in the wrong cart).

If contamination is found inside your cart, the City employee will leave a notification tag on your cart with educational materials.

If you receive a second notice on your cart, we will contact you directly to help you understand the guidelines of what is accepted inside each cart.

If more than two notices are issued, we may have to enforce penalties for non-compliance.

Comment = Pickleball is the fastest growing sport in America and reaches all ages and ability levels . I have tried out the rec center and it is a joke (being honest) . The city needs public courts like Rotary East in Fresno . You have the space at Leonard and Ashlan 4 permanent courts is all you need for now . It needs to be made a priority. I have spoken to numerous pickleball players and most players on the Fresno courts are coming from Clovis .

Comment = Please consider adding pickleball courts to a park. The sport is growing very fast and the fact that Clovis has no permanent courts is amazing to me.
