Report to the City Council

To: City Council

From: Administration

Date: May 11, 2026

Staff: Briana Parra, City Clerk, Chad McCollum, Economic Development, Housing and Communications Director

Subject: Receive and File – Annual Report Update from the Clovis Youth Commission.

Recommendation: Receive and File

Attachments: None

Recommendation:

That the City Council receive and file the Annual Report Update from the Clovis Youth Commission.

Executive Summary:

The City of Clovis Youth Commission presents their Annual Report to the City Council, which outlines key projects, community involvement, and initiatives focused on youth engagement and well-being.

Background:

The City of Clovis Youth Commission was established by unanimous decision of the Clovis City Council in October 2023 to engage youth voices in City affairs. The Commission was created to promote civic engagement among Clovis youth and to foster a sense of ownership and responsibility in shaping the City's future.

The Clovis Youth Commission made significant strides throughout this year, actively contributing to projects that benefit youth in the community and strengthened civic engagement. One such initiative was "Threads of Joy," where commissioners collected new clothing for students in grades 1 through 12. This effort benefited Exceptional Parents Unlimited (EPU), bringing the community together and resulting in the collection of over eight bins of new clothing during a two-week period over the Christmas holiday.

The Commission also gained hands-on experience in local government by learning about the process of creating local laws and the intricacies of drafting policy for the City. Their culminating project included participation in Trail Fest, where they educated community members on e-bike, e-scooter, and e-motorcycle safety, and distributed approximately 300 helmets to young people.

Youth Commissioners served as ex-officio members on the Measure Y Commission and the General

Plan Advisory Committee, providing a youth perspective on key City initiatives. Commissioners also toured various City facilities to deepen their understanding of municipal operations and government services.

Throughout the year, Youth Commissioners volunteered at several major City events, including the Clovis Tree Lighting, Clovis Christmas Parade, Rodeo Parade, MLK Breakfast, and the Mayor's Breakfast. These opportunities allowed them to connect with the community and contribute meaningfully to civic life.

Through these projects and initiatives, the Clovis Youth Commission demonstrated leadership, creativity, and a strong sense of civic responsibility, making a meaningful and lasting impact on the community.

Fiscal Impact:

There are funds set in the 2025-2026 budget to cover items associated with the Youth Commission.

Reason for Recommendation:

To provide the City Council with an update on the activities, accomplishments, and initiatives of the Clovis Youth Commission during the term 2025-2026, consistent with the Commission's bylaws and annual reporting responsibilities.

Actions Following Approval:

The City Council will receive and file the annual report update. No further action is required.

Conflict of Interest:

None.

Date: May 11, 2026

Staff: Chad McCollum, Economic Development, Housing and Communications Director

Subject: Administration – Receive and File – Economic Development Corporation Serving Fresno County Quarterly Report, Q3 January - March 2026.

Recommendation: Receive and File

Attachments: 1. EDC Quarterly Report, Q3 Jan - March 2026 ATT 1 Report

Recommendation:

That the City Council receive and file the Quarter 3 Report, January – March 2026, from the Economic Development Corporation serving Fresno County.

Executive Summary:

The Economic Development Corporation serving Fresno County (EDC) has submitted their Quarter 3 Report of activities for the City Council to receive and file, as required per the 2025-2026 Agreement with the City.

Background:

In August 2025, the City of Clovis and the EDC entered into a contract for the 2025-2026 fiscal year to provide regional marketing and business services to Clovis businesses. In exchange, the City will pay the EDC \$12,500 quarterly. In addition, the City may pay an amount up to \$15,000 annually for initiatives and special project needs which may arise during the contract term. Attached is a report detailing the progress of their activities in Q3 serving Clovis businesses.

Fiscal Impact:

The City will forward the Quarter 3 installment payment to EDC. The funds were budgeted in the fiscal year budget.

Reason for Recommendation:

The attached report meets the requirements established in the 2025-2026 Agreement between the EDC and the City of Clovis.

Actions Following Approval:

Staff will file the report and send payment to the EDC.

Conflict of Interest:

None.

QUARTERLY SUMMARY

Quarter 3, 2026

REBORNE BREWING PARTIAL SALES TAX EXEMPTION FOR MANUFACTURING EQUIPMENT

After making a substantial investment in fermentation equipment, Reborne is attempting to retroactively obtain a CDTFA partial sales tax exemption. The partial exemption applies to purchases or leases of qualified tangible property used primarily in manufacturing, research and development (R&D), or electric power generation, storage, or distribution. It reduces the state sales tax rate to 3.9375% (from the standard rate), but local and district taxes still apply.

NEO PROGRAM RETROACTIVE AMENDMENT

On March 17, 2026, The Fresno County Board of Supervisors approved the Retroactive Amendment No. 1 to Agreement A-25-500 with Economic Development Corporation Serving Fresno County, for Job Creation and Employment Services, effective October 1, 2025, with no change to the term of October 1, 2025, through June 30, 2030, and increasing the maximum by \$5,656,627 to a total of \$10,718,147. In addition to increasing DSS investment in training and Welfare-to-Work pathways, the agreement restores eliminated business development positions that were previously reduced due to cost-cutting measures. This amendment enables the EDC to further invest in job creation through expanded business attractions and outreach efforts.

WORLD AGRI-TECH INNOVATION SUMMIT

Joining the California Ag-Tech Alliance delegation to the San Francisco conference March 17-18, Robert represented the EDC to generate new leads. Genetic engineering, food additive, and EV equipment enterprises were targeted as complementary sectors to Fresno County's agricultural economy. Genetic engineering is an especially promising pursuit for our region, as crops can be modified to resist drought, excessive heat, disease, and boost yields to successfully adapt to a changing climate. Fresno State University's scientific workforce output was a prominent draw for the genetic engineering enterprises. Based on conversations with foreign manufacturers seeking to establish operations within the U.S., North Carolina appears to be their principal destination and a major competitor with California.

AB2377 ACCELERATED DEPRECIATION LEGISLATION

EDC has worked over the last few months to refine and pitch legislative proposals for a refundable tax credit and accelerated depreciation incentive to state elected officials. In February, we received news that Assemblymember Soria will be introducing the accelerated depreciation bill in the next legislative session, sponsored by the EDC. This bill would effectively create a new state incentive allowing for 50% upfront depreciation on manufacturing equipment statewide, and 100% upfront depreciation in regions with high unemployment or poverty. The bill proposal was designed to close the gap in depreciation schedules between federal and state tax law and improve early-year cash flow while also aligning with California's economic blueprint. We have since retained a lobbying firm in Sacramento to draft technical language and conduct strategic engagement. If passed, this bill stands to strengthen California's global competitiveness and encourage new investment in capital-intensive industries such as advanced manufacturing and clean energy.

ICSC MONTEREY

Joining the Team California delegation to the ICSC Event held in Monterey, Ca March 24-25, Charles represented the EDC to generate new leads and support local Fresno County delegations. Retail, hardware, grocery markets, and restaurants were all targets during this trip. Discussions emphasized the growing challenges faced by smaller towns as longstanding retailers—especially independent hardware stores—continue to close, creating service gaps and economic strain for residents. These closures are leaving communities with fewer convenient options for essential goods and everyday services.

A key takeaway from the event was the significant opportunity for targeted retail development along the Highway 33 corridor. Residents in surrounding communities are increasingly traveling long distances to meet basic shopping and dining needs, signaling strong unmet demand. Strategic investment in retail and eateries along this corridor could not only recapture this spending locally but also enhance quality of life, support job creation, and stimulate sustainable economic growth for the region.

FEDERAL APPROPRIATION FOR CENTRAL VALLEY FAME

The Fresno County Economic Development Corporation (EDC) was awarded a \$2.3 million federal appropriation to support the continued development and regional expansion of the Central Valley FAME (Federation for Advanced Manufacturing Education) Chapter. As the first FAME chapter in California, this initiative represents a strategic investment in the region's manufacturing sector by transforming Reedley College's previous technician program into a global-best "earn-and-learn" Advanced Manufacturing Technician program. The funding will facilitate approximately \$1 million in critical equipment acquisitions, including advanced robotics and hydraulic trainers, while providing the necessary faculty and administrative infrastructure to scale this high-impact model across the San Joaquin Valley. By addressing the acute shortage of skilled maintenance and industrial automation technicians and providing students with paths to high-wages and family-sustaining employment, this project strengthens the Central Valley's competitive position in and ensures a sustainable return on investment for the regional economy.

CITY of CLOVIS

Report to the City Council

To: City Council

From: General Services Department

Date: May 11, 2026

Staff: Charles Johnson, Senior Management Analyst

Subject: General Services — Approval – Res. 26-____, a Resolution Authorizing the City Council to Execute a Joint Powers Resolution with the Employment Risk Management Authority (ERMA) for Employment Practices Liability coverage.

Recommendation: Approve

Attachments:

1. ERMA Coverage ATT 1 Res. 26-____
2. ERMA Coverage ATT 2 Indication

Recommendation:

That the City Council approve a Resolution authorizing the City Council to execute a joint powers resolution with the Employment Risk Management Authority (ERMA) for Employment Practices Liability coverage.

Executive Summary:

As part of the City of Clovis's membership in the Central San Joaquin Valley Risk Management Authority (CSJVRMA), City staff recommends joining the Employment Risk Management Authority (ERMA), a program available to CSJVRMA members. This program provides liability coverage for employment-related practices as well as a variety of regional training opportunities for employees.

Background:

The Employment Risk Management Authority (ERMA) is a statewide risk-sharing pool that provides Employment Practices Liability coverage and related services to California public entities. It has been in operation since July 1999 and offers programs and coverage to more than 200 public entities throughout the state. The City is a member of the Central San Joaquin Valley Risk Management Authority (CSJVRMA). Through this membership, Employment Practices Liability coverage through ERMA can be extended to the City of Clovis at a discounted rate.

City staff evaluated Employment Practices Liability coverage offered by other carriers to determine the best option. After comparing services and coverage limits with an identical SIR, it was determined that coverage through ERMA would be more beneficial for the City. The City would be purchasing coverage that provides a \$4,000,000 limit of liability at a premium cost of \$222,515, with a \$500,000

Self-Insured Retention (SIR).

ERMA invests considerable effort in prevention and education, offering a full suite of online and in-person training programs, including Ethics (AB 1234) and the Prevention of Harassment, Discrimination, and Retaliation. Coverage through ERMA includes administration and litigation of workplace misconduct claims, such as harassment, discrimination, and unlawful hiring practices.

At the April 10, 2026, ERMA Executive Board of Directors meeting, CSJVRMA member agencies were considered, and the City of Clovis received confirmation that its application was unanimously approved, effective July 1, 2026. Upon City Council approval, coverage will become effective on that date.

Fiscal Impact:

There are sufficient funds in the FY 2026-2027 budget to cover the \$222,515 annual premium cost to join the ERMA Program.

Reason for Recommendation:

It is recommended that the City become a member of ERMA through CSJVRMA, which will provide annual Employment Practices Liability coverage.

Actions Following Approval:

The City Council will execute the resolution with the Employment Risk Management Authority (ERMA) for Employment Practices Liability coverage.

Conflict of Interest:

None.

RESOLUTION 26-__

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CLOVIS APPROVING AUTHORIZATION FOR PARTICIPATION IN EMPLOYMENT RISK MANAGEMENT AUTHORITY

WHEREAS, the City of Clovis ("City") wishes to obtain Employment Practices Liability coverage for the period of July 1, 2026, to June 30, 2029; and

WHEREAS, the Employment Risk Management Authority (ERMA) is a self-insured joint powers authority created for the sole purpose of Employment Practices Liability Coverage. ERMA is comprised of various public entities who risk share up to \$1 million against potential unlawful employment practices and discrimination claims; and

WHEREAS, EMRA formed primarily because government entities have not historically been able to secure Employment Practices Liability (EPL) coverage at a competitive cost through the commercial insurance marketplace; and

WHEREAS, ERMA has met all of the high professional standards established by the California Association of Joint Powers Authorities (CAJPA) in the areas of governance, finance, claims control, safety and loss control and ERMA is fully accredited by CAJPA. CAJPA's accreditation process requires reviews by independent consultants in the areas of accounting, claims adjusting, and actuarial analysis; and

WHEREAS, ERMA provides services to both Joint Powers Insurance Authorities and individual public entities; and

WHEREAS, the City has determined that it is in the best interest to become a member of ERMA for the purpose of obtaining Employment Practices Liability coverage; and

WHEREAS, ERMA requires the City to pass a Resolution expressing the desire and commitment of the City of Clovis's participation in ERMA, which requires a three-year minimum participation period. The City also understands our entity will be bound by the provisions in the ERMA Joint Powers Agreement just as though it were fully set forth and incorporated herein whether our entity had signed it individually or through an underlying Joint Powers Insurance Authority.

NOW, THEREFORE, BE IT RESOLVED, that the City of Clovis approves participation in ERMA on July 1, 2026; and approves that the City Council is hereby authorized to take any and all actions necessary to implement the foregoing Resolution.

(1) New members are assigned an experience modification factor of 1.000 their first year in ERMA.

(2) Off-Balance Factor: To ensure that ERMA collects the required total contribution from a member, which is determined by ERMA's consulting actuary, an off-balance factor is applied to the net contribution after the experience modification factor is applied to the net contribution. All underlying members within the same primary JPA receive the same off-balance factor.

(3) CSJVRMA requires members to purchase Excess Insurance of \$3M x \$1M

(4) Contribution calculated using rates per the 2026/27 Preliminary Budget.

* ERMA used payroll as reported by the member. The fiscal date range is October 1, 2024, to September 30, 2025.

** The annual contribution shown will be prorated for a partial year based on the date of inception.

*** Administration fee of 5% charged by the CSJVRMA.

CITY of CLOVIS

Report to the City Council

To: City Council

From: General Services Department

Date: May 11, 2026

Staff: Charles Johnson, Senior Management Analyst

Subject: General Services - Approval - Claim Rejection of the General Liability Claim for Rebekah Madison.

Recommendation: Approve

Attachments: None

Recommendation:

Reject the General Liability Claim filed by Rebekah Madison.

Executive Summary:

Rebekah Madison (claimant) filed a General Liability Claim against the City of Clovis on April 21, 2026. The claim alleges unlawful and unreasonable arrest while violating her First and Fourteenth Amendment rights. Ms. Madison also seeks to recover alleged monetary damages from the City. It is recommended that the claim be rejected at this time.

Background:

On April 21, 2026, a General Liability Claim was filed against the City of Clovis by Rebekah Madison. The claim was considered legally sufficient and timely. Ms. Madison alleges that on October 21, 2025, the Clovis Police Department unlawfully arrested her without probable cause and violated her First and Fourteenth Amendment rights. Ms. Madison further alleges that Clovis Police Department failed to deploy proper de-escalation techniques when she was experiencing a mental health crisis, which subsequently led officers on a high-speed vehicle pursuit with the California Highway Patrol.

Ms. Madison seeks damages against the City in excess of \$35,000. The claim has been filed as a "civil unlimited case".

Fiscal Impact:

Rejection of the claim does not result in any fiscal impact.

Reason for Recommendation:

It is recommended that the claim be rejected. The City's liability is disputed, and although the claim is legally sufficient, the amount of the alleged damages sustained by the claimant may also be disputed.

Rejecting the claim and sending a notice of rejection in accordance with the Government Claims Act will commence at the time in which the claimant may file a lawsuit against the City based on the claim.

Actions Following Approval:

A letter will be sent to the claimant informing her that the claim has been rejected.

Conflict of Interest:

None.

CITY of CLOVIS

Report to the City Council

To: City Council

From: Public Utilities Department

Date: May 11, 2026

Staff: Timothy Breshears, Parks Manager

Subject: Public Utilities - Approval - Preliminary Engineer's Report; and Approval - Res. 26-____, a Resolution Declaring the City's Intention to Levy and Collect the Annual Assessments for Landscape Maintenance District No. 1.

Recommendation: Approve

Attachments:

1. LMD Intention to Levy ATT 1 Res. 26-
2. LMD Intention to Levy ATT 2 Assessment Diagrams
3. LMD Intention to Levy ATT 3 Draft Engineer Report

Recommendation:

For the City Council to approve the Preliminary Engineer's Report on file with the City Clerk; and adopt a Resolution declaring the City's intention to levy and collect the annual assessments for Landscape Maintenance District (LMD) No. 1 and giving Notice of Public Hearing.

Executive Summary:

The City collects funds through annual assessments on properties within Landscape Maintenance District (LMD) No. 1. These funds provide landscape maintenance services for those properties within the LMD, including special enhancements unique to the various tracts within the District. Currently, 53 different assessment zones have been established. Zones 1-3 provide for street median and street-side landscape maintenance throughout most of the City. Zones 4-6 provide for neighborhood park maintenance throughout most of the City. Zones 7-51 provide for maintenance of special neighborhood enhancements. Zone SE provides for maintenance for all of Loma Vista, and Zone NW provides for maintenance for all of Heritage Grove. Properties within the LMD (except the majority of those in Zone SE and Zone NW) are all in Zones 1-3, and they may also be in Zones 4-6 and Zones 7-51. Zone SE and Zone NW are unique in that they cover all three categories of landscape: street median and street-side landscaping, parks, and neighborhood enhancements. There are, however, five enhancement zones in Zone SE and one enhancement zone in Zone NW that fund additional landscaping.

The maximum assessment rates for Zones 1, 2, 3, and 6 were originally established without an escalation clause and assessments in these zones can only be increased by a conducting a

Proposition 218 simple majority ballot process. In spring of 2025, property owners within Zones 4 and 5 passed a Proposition 218 ballot process that approved an annual escalator based on the change in the Consumer Price Index (CPI), not to exceed 3%, beginning July 1, 2026. Annexation covenants authorize the maximum assessment rates for Zones 7-51, Zone SE, and Zone NW to increase annually by the change in the Consumer Price Index (CPI) plus 2%. Because this provision is included in the annexation documents and agreed to by the property owners, it is not considered a rate increase and is not subject to the election process required by Proposition 218.

Consistent with Section 22623 of the Landscaping and Lighting Act of 1972, this Resolution proposes the following actions for the LMD zones:

Zone	Rate Change	Reason for Change
Zones 1-3, 6	No change	Rates will continue to be maintained at the rate established by elections.
Zones 4 and 5	Increase assessment	Rates will be increased by 3%.
Zones 8-12, 14, 16-19, 21-23, 25-30, 32, 33, 35, 38, 39, 43-45, 47-49, NW, and SE	No change	No change. Current rates are sufficient to cover costs.
Zones 7, 13, 15, 20, 24, 31, 36, 37, 40, 50, and 51	Increase assessment	Rates will be increased to cover the cost of maintaining service and maintain capital reserves.
Zones 34, 41, 42, and 46	Decrease assessment	Rates will be reduced to align with projected maintenance expenditures.

LMD REQUIREMENTS

The Preliminary Engineer's Report is being filed with the City Clerk for submission to Council in accordance with Section 22623 of the Landscaping and Lighting Act of 1972 (Act). After approval of the Report, Section 22624 of the Act requires the Council to adopt a Resolution of Intention that:

1. Declares the intention to levy and collect assessments;
2. Generally describes the existing and proposed improvements and any substantial changes proposed to be made in existing improvements;
3. Refers to the assessment district by its distinctive designation and indicates the general location of the district;
4. Refers to the Preliminary Engineer's Report for a full description of the improvements, boundaries, and any zones in the district, and the proposed assessments upon assessable lots and parcels of land within the district;
5. Gives notice of the time and place for hearing by the Council on the levy of the proposed assessments; and
6. States whether the assessments are proposed to increase from the previous year.

Background:

On July 15, 1985, Council adopted Resolution No. 85-78, forming the City of Clovis Landscape Maintenance District No. 1 (LMD) in accordance with the Landscaping and Lighting Act of 1972

approved by the California State Legislature. The purpose of the LMD is to fund the operation and maintenance of landscaped areas and interior parks benefiting development throughout the City.

The annual assessments established for all properties within the LMD provide funding for the City's cost for operation, maintenance, related services, and incidental expenses. The required operation and maintenance includes mowing, edging, fertilizing, weed control, irrigation system, pruning, plant replacement, lighting, and a depreciation fund to periodically replace playground and other landscape related equipment. The assessments are collected by the County as a special assessment on the property tax bills.

The Fiscal Year 2026-27 rates for Zones 1-6 are as follows:

<u>General Landscaping</u>		<u>Neighborhood Park</u>	
Zone 1	\$99.50	Zone 4	\$66.95
Zone 2	\$99.94	Zone 5	\$66.95
Zone 3	\$12.28	Zone 6	\$80.08

In addition to the general landscaping and neighborhood park zones, additional zones have been established to cover enhanced landscaping, entry features, and decorative street lighting in various residential subdivisions. The properties in each of these benefit zones are assessed an additional amount to fund the maintenance costs for the added features associated with each of their subdivisions. The proposed annual rates for the enhanced landscaping zones are as follows:

Zone 7	\$223.87	Tracts 4762A, 4873, 4874, 4875, 4876, & 5015
Zone 8	\$56.34	Tract 4949
Zone 9	\$49.62	Tract 4954

Zone SE

\$218.48

Tracts 6203, 6372, BD-CMBR-24-03904, & BD-PVT-25-01340

Zone SE includes all tracts being developed in the Southeast Urban Village, generally located east of Locan Avenue and south of Bullard Avenue. Zone NW includes all tracts being developed in Heritage Grove, generally located north of Shepherd Avenue and west of Sunnyside Avenue. Unlike other properties in the City, properties in these zones are not annexed into more than one zone. The rates for these zones are designed to cover all the general landscaping, neighborhood parks, enhanced landscaping, and public lighting in their area. All the tracts to be annexed into Zone SE and Zone NW are expected to have enhanced landscaping, entry features, and decorative street lighting. There are five tracts within Loma Vista that have an extra enhancement and are therefore assessed an additional amount. Also, there is one tract within Zone NW that has an extra enhancement and is therefore assessed an additional amount.

Two rates have been established in Zone SE and Zone NW, because a tract may have only partial landscape amenities within the tract, but funding is needed for arterial street and community park landscaping.

The Resolution of Intention to Levy Assessments containing the Notice of Public Hearing will be published in The Business Journal not less than 10 days prior to the Public Hearing date of June 8, 2026. The Public Hearing will afford all interested persons the opportunity to address their concerns. Written protests may be filed with the City Clerk at any time prior to the conclusion of the Public Hearing.

Fiscal Impact:

Annual LMD assessments collected provide the necessary funding to continue the maintenance of landscaped areas within the various benefit zones for the next fiscal year and provide reserves necessary for depreciation and replacement.

Reason for Recommendation:

This resolution is required annually by the Landscaping and Lighting Act of 1972 prior to levying and collecting assessments.

Actions Following Approval:

1. The Resolution of Intention to Levy and Collect the Annual Assessments will be published in The Business Journal; and
2. The Engineer's Report that shows the final assessments will be considered by the City Council at the Public Hearing proposed for June 8, 2026, and if approved, it will be recorded by the Fresno County Recorder's Office.

Conflict of Interest:

None.

RESOLUTION 26-___

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CLOVIS APPROVING INTENTION TO LEVY AND COLLECT THE ANNUAL ASSESSMENT FOR LANDSCAPE MAINTENANCE DISTRICT NO. 1 FOR THE CITY OF CLOVIS AND SET THE PUBLIC HEARING

WHEREAS, the Clovis City Council has approved sixty-nine (69) annexations with new improvements to the Landscape Maintenance District No. 1 of the City of Clovis (herein LMD No. 1) since the Engineer's Report dated June 16, 2025; and

WHEREAS, proceedings for the annual assessments for LMD No. 1 for the Fiscal Year 2026-2027 need to be initiated.

NOW, THEREFORE, BE IT RESOLVED, that the City of Clovis will proceed as follows:

1. It is the intention of said Council to order the levy and collection of an assessment for the Fiscal Year 2026-2027 under the Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code beginning with Section 22500 of said Code, for Landscape Maintenance District No.1 of the City of Clovis (herein "LMD No. 1").
2. Said LMD No. 1 is generally described as all properties in subdivisions, Site Plan Review developments, Parcel Map developments, and other miscellaneous property entitlement developments approved since July 1985 within the current boundaries of the City of Clovis.
3. The Engineer has prepared and filed with the Clerk of the City of Clovis a preliminary report labeled Preliminary Engineer's Report of the City of Clovis LMD No. 1, dated May 11, 2026, to which reference is hereby made for a detailed description of the improvements, the boundaries of the assessment district and any zones therein, and the proposed assessments upon assessable lots and parcels of land within LMD No. 1.
4. The Business Journal, a newspaper circulated in the City of Clovis, is hereby designated as the newspaper in which this Resolution of Intention shall be published, and the Clerk of the City of Clovis is hereby directed to cause this Resolution of Intention to be published once no less than ten (10) days prior to the hearing date set forth below.
5. NOTICE IS HEREBY GIVEN that the 8th day of June 2026, at the hour of 6:00 p.m., in the regular meeting place of the Council of the City of Clovis, Council Chambers, 1033 Fifth Street, Clovis, California 93612, is hereby fixed as the time and place for a PUBLIC HEARING, when and where all interested persons shall be heard on the question of the levy and collection of the proposed assessment. Written protests may be filed with the City

INTRODUCTION

ENGINEER'S REPORT

**CITY OF CLOVIS
LANDSCAPE
MAINTENANCE DISTRICT NO. 1**

FISCAL YEAR 2026-27

To ensure a flow of funds for the installation, operation, maintenance and servicing of specified improvements within the boundaries of the Landscape Maintenance District No. 1 (the "District") the City Council approved the formation of the District on July 15, 1985 by adopting Resolution No. 85-78. The District boundaries are completely within the incorporated boundaries of the City of Clovis. Improvements that may be operated, maintained and serviced by the District include, but are not limited to:

Operation, maintenance and servicing of landscaping and irrigation improvements located within the public right-of-way or within the public easements adjacent to existing developments. Landscaping and irrigation improvements consist of, but are not limited to medians, slope areas, entranceways, dedicated easements, neighborhood parks, etc.

As required by the Landscaping and Lighting Act of 1972, this Engineer's Report describes the improvements to be installed, operated, maintained and serviced by the District for Fiscal Year 2026-27, provides an estimated budget for the District, and lists the proposed assessments to be levied upon each assessable lot or parcel within the District.

The City of Clovis will hold a Public Hearing on June 8, 2026, to provide an opportunity for any interested person to be heard. At the conclusion of the public hearing the City Council may adopt a resolution confirming the levy of assessments as originally proposed. Following the adoption of this resolution, the Final Assessor's Roll will be prepared and filed with the County of Fresno Auditor's Office, to be included on the Fiscal Year 2026-27 tax roll.

Payment of the assessment for each parcel will be made in the same manner and at the same time as payments are made for property taxes. All funds collected through the assessment must be placed in a special fund and can only be used for the purposes stated within this Report.

Pursuant to Part 2 of Division 15 of the Streets and Highways Code of the State of California, and in accordance with Resolution No. 26-____ accepting the Preliminary Engineer's Report and Declaring the Intention to Levy and Collect the Annual Assessments for the Landscape Maintenance District No. 1, adopted on May 11, 2026, by the City Council of the City of Clovis, County of Fresno, State of California, in connection with the proceedings for:

**CITY OF CLOVIS
LANDSCAPE
MAINTENANCE DISTRICT NO. 1**

Hereinafter referred to as the "District", I, Eduardo R. Espinoza, the duly appointed ENGINEER OF WORK, submit herewith the "Report" consisting of six (6) parts as follows:

PART A

This part describes the improvements in the District. Plans and specifications for the improvements are as set forth on the lists thereof, attached hereto, and are on file in the Office of the City Clerk of the City of Clovis, and are incorporated herein by reference.

PART B

This part contains an estimate of the cost of the proposed improvements, including incidental costs and expenses in connection therewith.

PART C

This part contains an assessment of the estimated cost of the improvements on each benefited lot or parcel of land within the Assessment District. The Assessment Roll is on file in the Office of the City Clerk of the City of Clovis and is incorporated herein in Appendix "A".

PART D

This part contains the method of apportionment of assessments, based upon parcel classification of land within the Assessment District, in proportion to the estimated benefits to be received.

PART E

This part contains a list of the names and addresses of the owners of real property within this Assessment District, as shown on the last equalized roll of the Assessor of the County of Fresno. The list is keyed to the records of the Assessor of the County of Fresno, which are incorporated herein by reference.

PART F

This part incorporates, by reference, the diagram of the Assessment District showing the exterior boundaries of the Assessment District, the boundaries of any zones within the Assessment District and the lines and dimensions of each lot or parcel of land within the Assessment District. This diagram has been prepared by the Engineer of Work and is on file in the Office of the City Clerk of the City of Clovis. The lines and dimensions of each lot or parcel within the Assessment District are those lines and dimensions shown on the maps of the Assessor of the County of Fresno for the year in which this Report was prepared. The Assessor's maps and records are incorporated by reference herein and made part of this Report. The Assessment Diagram in reduced format is incorporated herein in Appendix "B".

PART A

PLANS AND SPECIFICATIONS

The improvements, which have been installed within the Landscape Maintenance District No. 1 boundaries, and those which may be subsequently installed, will be operated, maintained and serviced as generally described as follows:

DESCRIPTION OF IMPROVEMENTS

CITY OF CLOVIS
LANDSCAPE MAINTENANCE DISTRICT No. 1

FISCAL YEAR 2026-27

The improvements consist of the installation, operation, maintenance and servicing of the landscaping and irrigation improvements located in and along medians, slope areas, entrance ways and dedicated easements, parks, and appurtenant facilities including but not limited to personnel, electrical energy, utilities such as water, materials, contractual services, and other items necessary for the facilities described below. The location of the improvements are identified by the Benefit Area numbers listed below, which correspond to the grid numbers on the Assessment Diagrams in Appendix "B".

Maintenance for all benefit zones means the furnishing of services and materials for the ordinary and usual operation, maintenance and servicing of the landscaping and natural vegetation areas, and appurtenant facilities, including repair, removal or replacement of all or part of any of the landscaping, natural vegetation, sidewalks or appurtenant facilities; providing for the life, growth, health and beauty of the landscaping and natural vegetation areas, including cultivation, irrigation, trimming, spraying, fertilizing and treating for disease or injury; and the removal of trimmings, rubbish, debris and other solid waste. Servicing for all benefit zones means the furnishing of water for the irrigation of the landscaping, natural vegetation areas or appurtenant facilities and the furnishing of electric current or energy, gas or other agent for landscaping, natural vegetation areas or appurtenant facilities.

The plans and specifications for the improvements are on file in the Office of the City Clerk of the City of Clovis.

DRAFT

PART B

ESTIMATE OF COST

The 1972 Act provides that the District can recover the total cost of installation, operation, maintenance and servicing of the public landscaping and natural vegetation areas. Maintenance can include the repair and replacement of existing improvements. Servicing can include electrical and associated costs from a public utility. Incidental expenses, including administration of the District, engineering fees, legal fees, printing, posting, and mailing of notices, and all other costs associated with the annual collection process and the maintenance of the District can also be included.

The table on the following page includes the installation, operation, maintenance, and servicing costs for Fiscal Year 2026-27 that are proposed to be included in Landscape Maintenance District No. 1. These cost estimates were provided by the City of Clovis.

The 1972 Act requires that a special fund be set up for the revenues and expenditures of the District. Funds raised through the District assessments shall be used only for the purpose as stated herein. A contribution to the City of Clovis may be made to reduce assessments, as the City Council deems appropriate. Any balance remaining on July 1 must be carried over to the next fiscal year unless needed in the reserve fund.

DRAFT

PART C

ASSESSMENT ROLL

The proposed assessment and the amount of assessment for Fiscal Year 2026-27 apportioned to each lot or parcel, as shown on the latest roll at the Assessor's Office, is incorporated in Appendix "A".

The description of each lot or parcel is part of the records of the Assessor of the County of Fresno and these records are, by reference, made part of this Report.

The total proposed assessment for the Fiscal Year 2026-27 is \$6,745,178.09.

PART D

METHOD OF APPORTIONMENT OF ASSESSMENT

General

Part 2 of Division 15 of the Streets and Highways Code, the Landscaping and Lighting Act of 1972, permits the establishment of assessment districts by Agencies for the purpose of providing certain public improvements which include the operation, maintenance and servicing of landscaping and street lighting improvements.

Section 22573 of the Landscape and Lighting Act of 1972 requires that maintenance assessments must be levied according to benefit rather than according to assessed value. This Section states:

"The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefit to be received by each such lot or parcel from the improvements."

"The determination of whether or not a lot or parcel will benefit from the improvements shall be made pursuant to the Improvement Act of 1911 (Division 7 (commencing with Section 5000)) [of the Streets and Highways Code, State of California]."

In addition, Article XIIID, Section 4(a) of the California Constitution limits the amount of any assessment to the proportional special benefit conferred on the property.

Because assessments are levied on the basis of benefit, they are not considered a tax, and, therefore, are not governed by Article XIII A of the California Constitution.

The 1972 Act permits the designation of zones of benefit within any individual assessment district if "by reasons or variations in the nature, location, and extent of the improvements, the various areas will receive different degrees of benefit from the improvement" (Sec. 22574). Thus, the 1972 Act requires the levy of a true "assessment" rather than a "special tax."

Article XIIID provides that publicly owned properties must be assessed unless there is clear and convincing evidence that those properties receive no special benefit from the assessment. Exempted from the assessment would be the areas of public streets, public avenues, public lanes, public roads, public drives, public courts, public alleys, public easements and rights-of-ways, public greenbelts and public parkways, and that portion of public property that is not developed and used for business purposes similar to private commercial, industrial and institutional activities.

BENEFIT DETERMINATION

Well maintained landscaped medians, parkways, slope banks, and park and recreational areas provide beautification, shade, recreational possibilities, and the enhancement of the surrounding areas. These improvements provide special and direct benefit to the parcels within the District boundaries because the parcels have direct access and use of the improvement areas. These improvements increase the desirability to live and work in the area and further increase property values. Because the property owners benefit from the improvements, they also benefit from the operation, maintenance and servicing thereof.

ZONE CLASSIFICATION

The Landscape Maintenance District No. 1 was formed to provide a funding source for the operation, maintenance and servicing of landscaping and neighborhood park and recreational facilities within the boundaries of the District. Because of the varying degrees of improvements throughout the City specific benefit zones have been created. These zones are necessary to accurately track the operation and maintenance costs for each improvement type.

Parcels benefiting from the general landscape improvements throughout the City (medians, slope areas, entranceways, etc.) have been divided into three (3) distinct benefit zones; Benefit Zone No. 1 encompasses the north area of the City, which is generally bounded by Herndon Avenue. Benefit Zone No. 2 includes the east area of the City, which is generally bounded by Sunnyside Avenue, and Benefit Zone No. 3 covers the west area of the City generally bounded by Sunnyside Avenue.

Each of the Benefit Zones described above also have sub-benefit zones to accurately track and assess the costs of neighborhood parks to the benefiting parcels within that benefit zone. Benefit Zone No. 4 encompasses the parcels benefiting from neighborhood parks located in the north area of the City, which is generally bounded by Herndon Avenue. Benefit Zone No. 5 includes the parcels benefiting from neighborhood parks in the east area of the City, which is generally bounded by Sunnyside Avenue. Benefit Zone No. 6 covers the parcels benefiting from neighborhood parks in the west area of the City, which is generally bounded by Sunnyside. For a detailed diagram of these benefit zones refer to Part F of this report.

Benefit Zone No. 7 includes parcels benefiting from enhanced landscaping improvements in the Deauville subdivision (Tracts 4762A, 4873, 4874, 4875, 4876, and 5015). Benefit Zone No. 8 includes parcels benefiting from enhanced landscaping improvements in Tract 4949. Benefit Zone No. 9 includes parcels benefiting from enhanced landscaping improvements in Tract 4954. Benefit Zone No. 10 includes parcels benefiting from enhanced landscaping improvements in Tracts 4958, 4986, and 5026. Benefit Zone No. 11 is not currently being used. Benefit Zone No. 12 includes parcels benefiting from enhanced landscaping improvements in Tracts 5025, 5046 and 5047. Benefit Zone No. 13 includes parcels benefiting from enhanced landscaping improvements in Tract 5045. Benefit Zone No. 14 includes parcels benefiting from enhanced landscaping improvements in Tract 5020. Benefit Zone No. 15 includes parcels benefiting from

enhanced landscaping improvements in Tracts 5038, 5057, 5058 and 5059. Benefit Zone 16 includes parcels benefiting from enhanced landscaping improvements in Tract 5106. Benefit Zone 17 includes parcels benefiting from enhanced landscaping improvements in Tract 4973. Benefit Zone 18 includes parcels benefiting from enhanced landscaping improvements in Tract 5115. Benefit Zone 19 includes parcels benefiting from enhanced landscaping improvements in Tract 5125. Benefit Zone 20 includes parcels benefiting from enhanced landscaping improvements in Tract 4938. Benefit Zone 21 includes parcels benefiting from enhanced landscaping improvements in Tract 5122. Benefit Zone 22 includes parcels benefiting from enhanced landscaping improvements in Tract 5131. Benefit Zone 23 includes parcels benefiting from enhanced landscaping improvements in Tract 5213. Benefit Zone 24 includes parcels benefiting from enhanced landscaping improvements in Tract 5200. Benefit Zone 25 includes parcels benefiting from enhanced landscaping improvements in Tract 5194. Benefit Zone 26 includes parcels benefiting from enhanced landscaping improvements in Tract 5347. Benefit Zone 27 includes parcels benefiting from enhanced landscaping improvements in Tract 5146. Benefit Zone 28 includes parcels benefiting from enhanced landscaping improvements in Tract 5378. Benefit Zone 29 includes parcels benefiting from enhanced landscaping improvements in Tract 5470. Benefit Zone 30 includes parcels benefiting from enhanced landscaping improvements in Tracts 5264 and 5741. Benefit Zone 31 includes parcels benefiting from enhanced landscaping improvements in Tract 5711. Benefit Zone 32 includes parcels benefiting from enhanced landscaping improvements in Tract 5545. Benefit Zone 33 includes parcels benefiting from enhanced landscaping improvements in Tract 5207. Benefit Zone 34 includes parcels benefiting from enhanced landscaping improvements in Tract 5874. Benefit Zone 35 includes parcels benefiting from enhanced landscaping improvements in Tract 5550. Benefit Zone 36 includes parcels benefiting from enhanced landscaping improvements in Tract 6072. Benefit Zone 37 includes parcels benefiting from enhanced landscaping improvements in Tract 6147. Benefit Zone 38 includes parcels benefiting from enhanced landscaping improvements in Tract 6170. Benefit Zone 39 includes parcels benefiting from enhanced landscaping improvements in Tracts 6109 and 6209. Benefit Zone 40 includes parcels benefiting from enhanced landscaping improvements in Tract 6228. Benefit Zone 41 includes parcels benefiting from enhanced landscaping improvements in Tract 6186A. Benefit Zone 42 includes parcels benefiting from enhanced landscaping improvements in Tract 6230. Benefit Zone 43 includes parcels benefiting from enhanced landscaping improvements in Tract 6239. Benefit Zone 44 includes parcels benefiting from enhanced landscaping improvements in Tract 6263. Benefit Zone 45 includes parcels benefiting from enhanced landscaping improvements in Tract 6181. Benefit Zone 46 includes parcels benefiting from enhanced landscaping improvements in Tract 6301. Benefit Zone 47 includes parcels benefiting from enhanced landscaping improvements in Tract 6284. Benefit Zone 48 includes parcels benefiting from enhanced landscaping improvements in Tracts 6277 and 6339. Benefit Zone 49 includes parcels benefiting from enhanced landscaping improvements in Tract 6389. Benefit Zone 50 includes parcels benefiting from enhanced landscaping improvements in Tracts 6205 and 6457. Benefit Zone 51 includes parcels benefiting from enhanced landscaping improvements in Tract 6343.

Benefit Zone NW includes parcels benefiting from enhanced landscaping improvements in Tracts 6050, 6200, 6200, 6205, 6328, 6329, 6342, 6343, 6344, 6392, 6406, 6457, and 6467.

Benefit Zone SE includes parcels benefiting from enhanced landscaping improvements in Tracts 5168, 5193, 5254, 5336, 5418, 5484, 5565A2, 5582, 5583, 5596, 5605, 5657A, 5681, 5691A2, 5701A, 5825, 5871, 5874, 5875A, 5950, 5961, 5965, 5970, 5981, 5984, 5985, 5998, 6005, 6006, 6007, 6008, 6009, 6010, 6011, 6012, 6020, 6023, 6025, 6034, 6040, 6055, 6058, 6064, 6068, 6080, 6082, 6083, 6086, 6089, 6098, 6101, 6102, 6107, 6114, 6120, 6123, 6127, 6137A2, 6142, 6143, 6144, 6161, 6164, 6166, 6168, 6174, 6181, 6186A, 6193, 6197, 6203, 6208, 6225, 6228, 6230, 6245, 6254, 6255, 6260, 6304, 6349, 6372, 6377, 6404, 6413, BD-CMBR-24-03904, BD-PVT-25-01340, BP No. 21-05390, BP No. 22-02583, BP No. 1222-2019, CMBN1333-2013, PM 18-14, PM 2015-2, PM 2015-04, PM 2016-01, SPR 2012-006, SPR 2017-014, SPR 2018-011A2, and SPR 2020-006.

ASSESSMENT METHODOLOGY

The total operation, maintenance and servicing costs for the landscaping and neighborhood park and recreational facilities are apportioned in accordance with the methodology that was established when the District was formed. The method for spreading the costs to each parcel is based on the Equivalent Dwelling Unit (EDU) factor.

The single-family residential parcel has been selected as the basic unit for the calculation of assessments and is defined as one (1) Equivalent Dwelling Unit (EDU). The methodology used to assign EDUs to other land uses in proportion to the benefit they receive relative to the single-family residential parcel is based on acreage. All non-single family residential parcels are assessed four (4) EDUs per acre, which is generally the average density of single-family homes in the City of Clovis.

It would not be equitable to spread assessments evenly to each parcel, not considering land use or parcel size, because a single-family parcel would be paying the same as a 50-unit apartment complex parcel or a large commercial establishment. Therefore, as previously stated, the total estimated costs are spread to each parcel of land based on the number of EDUs associated with each particular parcel. Below is a breakdown of the EDUs for the various land uses.

RELATIVE BENEFIT BY LAND USE	
Land Use	Benefit Equivalent
Single-Family Residential	1.00 EDU/parcel
Multi-Family Residential	1.00 EDU/unit
Commercial	4.00 EDUs/net acre
Industrial	4.00 EDUs/net acre
Misc. Property (Recreational, Institutional, etc.)	4.00 EDUs/net acre

Single-Family Residential Properties

All single-family parcels benefit equally because of the similar type of property and the similar degree of use of facilities; therefore, all single-family parcels are assessed 1.0 EDU each.

Multi-Family Residential Units

All multi-family units benefit equally because of the similar type of property and the similar degree of use of facilities; therefore, all multiple family parcels are assessed 1.0 EDU per unit.

Commercial, Industrial, and Miscellaneous Properties

Commercial, Industrial, and Miscellaneous Properties derive a similar benefit as single-family residences, except that an area equivalency is used due to the wide variability in parcel size. The equivalency of four (4) EDUs per net acre is used based on the average lot size of a residential parcel. Churches, welfare properties, charity and service organizations are also assessed at these same rates.

Miscellaneous Parcels

1. There is a parcel within the District (APN 498-020-57) that is owned by the Rodeo Association that is assessed 1.00 EDU because it is only partially developed.
2. The Stone-Brook subdivision in Benefit Zone No. 2 - General Landscaping (East Area) has a homeowner's association for their 98 single-family residential parcels. The homeowner's association maintains its own frontage improvements and therefore City Council directed staff to only assess these parcels for center island median improvements which is \$8.90/parcel. This subdivision is also located in Benefit Zone No. 5 Neighborhood Park Landscaping (East Area) and will be assessed for the neighborhood park improvements.
3. During the Public Meeting held on June 3, 1996, the City Council of the City of Clovis directed staff to review the assessments of properties that may not be fully developed. Staff verified the properties for Fiscal Year 2026-27 and identified the following commercial parcel as being not fully developed:

MISCELLANEOUS COMMERCIAL PARCELS		
Assessor Parcel Numbers	Location	Development Status
552-062-11	East side of Armstrong, between Shaw and Gettysburg	50% Developed during Fiscal Year 2026-27

General Benefits & Special Benefits

Some of the LMD zones provide a general benefit to the public at large. These LMD zones consist of zones 1 through 6, NW zone, and the SE zone. Residents within close proximity to the landscape improvements who are not paying an assessment may benefit from a portion of the improvements within these zones. City staff reviewed the population of people who benefit from the improvements within each of these zones and determined the percentage of people who pay an assessment and the percentage who are not paying

an assessment. The City contributes from the general fund the benefit percentages of people who are not paying an assessment within each zone. City staff has determined that 100% of the improvements located within enhanced benefit zones provide no benefit to the general public at large and only provide a special benefit to the properties within those enhanced zones. Therefore, none of those costs are funded by the general fund. Those percentages of costs funded by the general fund are shown on the following page.

LMD Zone	Total Maintenance Cost	Percentage of General Benefit	General Benefit Contribution
1	\$1,459,413.56	6%	\$87,564.81
2	\$732,963.37	6%	\$43,977.80
3	\$136,060.14	45%	\$61,227.06
4	\$544,320.48	2%	\$10,886.41
5	\$212,061.39	2%	\$4,241.23
6	\$33,009.21	60%	\$19,805.52
NW	\$146,038.51	5%	\$7,301.93
SE	\$2,301,283.49	5%	\$115,064.17
		Total	\$350,068.93

Annual Increase

The maximum assessment rates for Benefit Zones 4 and 5 as shown in Table 2 on the following page may be increased each year based upon the annual change in the Consumer Price Index – All Urban Consumers (U.S. City Average), not to exceed 3%. The maximum assessment rates for Benefit Zones 7 through 51, NW, and SE may be increased each fiscal year based upon the annual change in the Consumer Price Index – All Urban Consumers (U.S. City Average) + 2%.

The summary of EDUs per benefit zone, maximum Fiscal Year 2026-27 assessment rates, and the proposed Fiscal Year 2026-27 assessment rates per benefit zone are shown in Table 2 below.

CITY of CLOVIS

Report to the City Council

To: City Council
From: Administration
Date: May 11, 2026
Staff: Briana Parra, City Clerk
Subject: Discussion of Term Limits for Council Members, and Potential Direction to Staff.
Recommendation: Discussion and Provide Direction as Appropriate
Attachments: None

Recommendation:

This item is included as a discussion item at the request of the City Council. Staff is not providing a recommendation on whether the City Council should consider term limits. The City Council requested this discussion item based on the City's 2025 National Community Survey results.

Executive Summary:

On April 14, 2025, the City Council directed staff to place an item on a future agenda to discuss potential term limits for City Council Members. The item was subsequently discussed on August 11, 2025, at which time the Council directed staff to gather community feedback on potential term limits through a community survey. On March 9, 2026, following the community survey results, the City Council requested a discussion item on a future agenda.

The 2025 National Community Survey included responses from 333 Clovis residents on a variety of topics. On the topic of potential city council term limits, 64% of the 333 responses supported a limit of two terms for council members, and 22% supported a limit of three terms. The results of the survey did not address when the respondents favored beginning any potential term limits.

There is no statewide requirement for city council member term limits. Government Code Section 36502 authorizes cities to impose term limits for council members, subject to voter approval at a regularly scheduled election. As such, term limits are optional and would require voter approval through a ballot measure. A proposed term limit measure could be placed on the ballot by the City Council or via a citizen initiative petition.

If the City Council desires to pursue a proposed ballot measure, direction would be required to staff and the City Attorney regarding timing and preparation of a proposed measure for future Council review and consideration at a future City Council Meeting.

Background:

On April 14, 2025, there was a consensus among the City Council to direct staff to place an item on a future City Council agenda to discuss potential term limits for Council Members. The item was subsequently discussed on August 11, 2025, at which time the Council directed staff to gather community feedback on term limits through a community survey and to revisit the discussion at a later date. The survey results were presented to the City Council on March 2, 2026, and no direction was given at that time. On March 9, 2026, there was consensus from the Council for a discussion item on a future agenda.

The City of Clovis conducted the 2025 National Community Survey between September 5, 2025, and October 17, 2025, to gather resident feedback on a range of community issues. As part of the survey, residents were asked about potential term limits for City Council members. Results showed that approximately 79% of respondents supported establishing term limits, with 64% favoring a limit of two terms and 22% favoring a limit of three terms. The survey did not address whether respondents favored term limits beginning in 2026 or sometime in the future.

Under Government Code Section 36502(b), both general law and charter cities may adopt term limits for Council Members. Term limits must be approved by the voters of the city at a regularly scheduled election, and any approved term limit would apply prospectively only.

If the City Council wishes to move forward with a proposed ballot measure for term limits, direction must be given regarding the number of terms, whether limits apply consecutively or in total, at which future election the proposed measure would be submitted, and other potential implementation details. Staff and the City Attorney's Office would then need to prepare the necessary documents for future City Council review and consideration.

The deadline for placing a ballot measure on the November 2026 ballot is fast approaching. Based on the Council meeting schedule, Council action is recommended by July 6, 2026, if Council desires the measure to be on the November 2026 ballot. If Council desires the measure to be on a future ballot, additional time would be available. Placement of a measure on the ballot would require adoption of a resolution calling for the election, along with preparation and consideration of the proposed ballot measure.

Fiscal Impact:

There is no fiscal impact if the City Council does not pursue a term limit ballot measure. If the City Council elects to place a measure on the ballot, election costs would be associated with services provided by the Fresno County Clerk/Registrar of Voters (CCROV). CCROV estimates the cost of the three City Council district elections in November 2026 at approximately \$35,000. A citywide ballot measure is estimated to cost an additional \$25,000 to \$35,000, depending largely on publication and printing requirements for the County Voter Information Guide. Should the City Council desire to place a measure on the ballot, staff and the City Attorney's Office will prepare the necessary documents for future City Council consideration.

Reason for Recommendation:

This item is presented at the request of the City Council following direction provided on March 9, 2026, to bring forward a discussion regarding term limits based on the results of the 2025 National Community Survey. Staff is not providing a recommendation on whether the City Council should consider proposing term limits to the voters of Clovis.

Actions Following Approval:

Staff will proceed according to Council direction.

Conflict of Interest:

None.

Report to the City Council

To: City Council
From: Administration
Date: May 11, 2026
Staff: Andrew Haussler, City Manager
Subject: Provide Direction – Stanford Addition Bullard Couplet Improvements.
Recommendation: Provide Direction
Attachments: 1. Stanford Addition Improvements ATT 1 Pocket Park Improvement Exhibit

Recommendation:

That the City Council provide direction regarding proposed improvements to the Bullard Couplet pocket park in the Stanford Addition.

Executive Summary:

On February 17, 2026, City Council provided direction to bring an item for Council to discuss improvements to the Bullard Couplet area in the Stanford Addition neighborhood. Staff explored the history of the pocket park and the Stanford Addition neighborhood and worked with a resident to develop ideas for improving the area. Staff is seeking input and direction regarding the proposed improvements.

Background:

On February 17, 2026, City Council provided direction to bring an item for Council to discuss improvements to the Bullard Couplet area in the Stanford Addition neighborhood. Provided below is some history of the pocket park and the neighborhood it serves, as well as a proposal to make improvements for Council consideration.

History

The Bullard Couplet is a pocket park that was created when 5th Street and Bullard Avenue were realigned to allow for traffic to traverse to Old Town from growth occurring around the new Clovis High School on Fowler Avenue. The pocket park serves the Stanford Addition neighborhood.

The Stanford Addition neighborhood is the first subdivision created in the City of Clovis and the homes were amongst the first properties connected to City water and sewer systems. The historic neighborhood was home to notable Clovis families such as former Mayor Jose Flores and Mr. Elvy Perkins, one of the first utility directors for the City. The area has also been home to many families

who worked to establish industries in Clovis, including lumber mills and agriculture. The pocket park was chosen as a spot to honor a young Police Explorer who passed away in 1997 due to health issues. A bench on a concrete pad was placed in this location with a bronze plaque honoring the life of Police Explorer Kevin Badner in 1997.

The Stanford Addition neighborhood serves as an active reminder of Clovis' original history and is home to Clovis families today with much the same spirit as when the City began in 1912.

Proposed Improvements

Staff met with an area resident to explore opportunities to improve the pocket park and developed the following plan for consideration.

General Improvements:

- Add a new layer of decomposed granite and/or bark to the area.
- Add plantings as feasible.
- Remove uplifted concrete as needed.

Honor Police Explorer Badner:

- Preserve and clean granite plaque honoring Police Explorer Badner.

Honor History:

- Develop and install an interpretive sign board in cooperation with the Clovis Historical Society and interested residents detailing the history of the neighborhood and connection to the City's beginnings, industry, and notable families.

Fiscal Impact:

If directed by Council, adequate resources will be included in the proposed 2026/27 budget. The improvements are not expected to be a significant cost.

Reason for Recommendation:

On February 17, 2026, City Council provided direction to bring an item back for council to discuss improvements to the Bullard Couplet area.

Actions Following Approval:

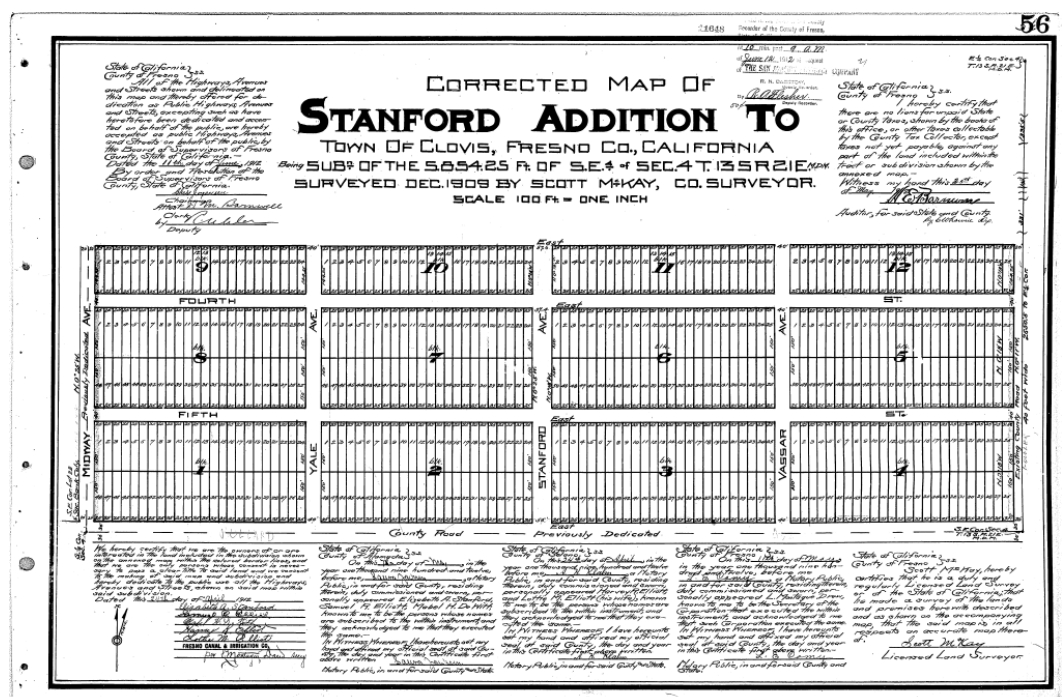

Staff will implement the direction from the Council.

Conflict of Interest:

None.

- Add New Layer of DG /Bark in area.
- Add Interpretive Sign Board – To detail history of the Stanford Addition
